AGENDA
REGULAR MEETING
BOARD OF DIRECTORS
California Virtual Academy at Kings
September 9, 2024
1:30 P.M.
Primary Location:
Zoom Meeting: https://zoom.us/j/3446279195
Conference call: (669) 900-9128
Meeting ID: 344 627 9195

ORIGINAL

INSTRUCTIONS FOR PRESENTATIONS TO THE BOARD BY PARENTS AND CITIZENS

The California Virtual Academy at Kings ("School") welcomes your participation at the School's Board meetings. The purpose of a public meeting of the Board of Directors ("Board") is to conduct the affairs of the School in public. We are pleased that you are in attendance and hope that you will visit these meetings often. Your participation assures us of continuing community interest in our School. To assist you in the ease of speaking/participating in our meetings, the following guidelines are provided.

1. Agendas are available to all audience members at the door to the meeting or by requesting the agenda from the California Virtual Academy Office (805-581-0202).

2. "Requests to Speak" forms are available to all audience members who wish to speak on any agenda items or under the general category of "Oral Communications." Speakers may also request to be placed on "Speakers List" by calling the California Virtual Academy Office (805-581-0202) seventy two hours in advance of the meeting.

3. The "Oral Communications" portion is set-aside for members of the audience to raise issues that are not specifically on the agenda. However, due to public meeting laws, the Board can only listen to your issue, not respond or take action. These presentations are limited to three (3) minutes and total time allotted to non-agenda items will not exceed fifteen (15) minutes. The Board may give direction to staff to respond to your concern or you may be offered the option of returning with a citizen-requested item.

4. With regard to items that are on the agenda, you may specify that agenda item on your blue request form and you will be given an opportunity to speak for up to five (5) minutes when the Board discusses that item.

5. When addressing the Board, speakers are requested to state their name and address from the podium and adhere to the time limits set forth.

6. Citizens may request that a topic related to school business be placed on a future agenda by submitting a written request at least seventy-two (72) hours in advance of any regular meeting. Once such an item is properly agendized and publicly noticed, the Board can respond, interact, and act upon the item.

California Virtual Academy at Kings does not discriminate on the basis of age, race, creed, color, sex, national origin, religion, gender, physical or mental disability, ancestry or marital status, in any of its policies, procedures of practices.

In compliance with the Americans with Disabilities Act (ADA) and upon request, Charter School may furnish reasonable auxiliary aids and services to qualified individuals with disabilities. Individuals who require

appropriate alternative modification of the agenda in order participate in Board meetings are invited to contact California Virtual Academy at Kings office at (805)581-0202.

I. PRELIMINARY

A. CALL TO ORDER

Meeting was called to order by the Board Chair at _1:35_P.M.

B. ROLL CALL

	Present	Absent
Mr. Xavier Pina	_____	__X___
Ms. Brenda Toro (Secretary)	_____	__X___
Ms. Anastasia Alavezos (President)	__X___	_____
Mr. Nathan Hickinbotham (Treasurer)	__X___	_____
Mr. John Vargas	__X___	_____

C. FLAG SALUTE

- Jose led (student)

II. COMMUNICATIONS

A. ORAL COMMUNICATIONS: Non-agenda items: no individual presentation shall be for more than three (3) minutes and the total time for this purpose shall not exceed fifteen (15) minutes. Ordinarily, Board members will not respond to presentations and no action can be taken. However, the Board may give direction to staff following a presentation.

B. For Information: Director's Report
This is a presentation of information which has occurred since the previous Board meeting.

C. For Information: Board/Staff Discussions
Board and staff discuss items of mutual interest.
- Priority 1 Local Indicator Update with TAMO Data
- End of Year Report
  Mindy Dahl shared highlights

D. Approval of Previous Board Meeting Minutes
Moved: Anastasia
2nd: John

APPROVED

III. CONSENT AGENDA ITEMS

All matters listed under the consent agenda are considered by the Board to be routine and will be approved/enacted by the Board in one motion in the form listed below. Unless specifically requested by a Board member for further discussion or removed from the agenda, there will be no discussion of these items prior to the Board votes on them. The director recommends approval of all consent agenda items.

IV. SCHEDULED FOR ACTION

A. BUSINESS

APPROVED

FY 2023-24 Unaudited Actual Revenue and Expenditure Report BDRPT 01
- No questions asked.

APPROVED

Ratification of Disbursements BDRPT 02
- No questions asked.

B. PERSONNEL

APPROVED

2024-25 Employment Agreements and Terminations BDRPT 05
- No questions asked.

C. INSTRUCTION AND CURRICULUM

APPROVED

Instructional Materials List BDRPT 08
- No questions asked.

APPROVED

Parent/Student Handbook Update BDRPT 09
- No questions asked. These updates were due to the Title IX updates.

E. PUPIL SERVICES

None

V. ITEMS SCHEDULED FOR INFORMATION

None

VI. ADJOURNMENT

The meeting was adjourned at _1:53_ P.M.

LCFF Local Indicators - Priority 1

At our June board meeting, we presented our Local Indicators, which will be reflected on the 2024 California State Dashboard. The CDE will report 2022-2023 Teacher Assignment Monitoring Outcomes (TAMO) as part of the Priority 1 Local Indicator. The TAMO data was unavailable when we wrote and presented our Local Indicators in June. We are required to present the TAMO data to the governing board.

In 2019, the California Commission on Teacher Credentialing (CTC) developed a teacher assignment monitoring system known as the California State Assignment Accountability System (CalSAAS) to monitor teacher assignments annually. The CDE must provide the CTC with certificated staff assignment data submitted to it by LEAs through the annual CALPADs Fall 2 data submission each year from November to March. The data collected is reported on the dashboard for the following school year. So, the 22-23 TAMO data posted on the 2024 Dashboard is the first year for the TAMO data to be posted as the 20-21 and 21-22 school years were used for learning periods.

Credential Analysts, as well as CALPADs LEA staff, work together to code and label teacher assignments correctly. The CDE evaluates the detailed data provided by the CTC to produce a single AMO for each assignment based on a set of business rules. The following seven AMOs used for reporting purposes are defined as:

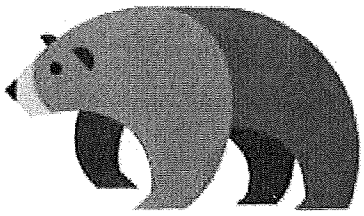

- Clear: all relevant attributes of the assignment were authorized by the correct teaching credentials.
- Out–of–field: The teacher has a credential but has not yet demonstrated subject matter competence in the subject area(s) or for the student population associated with the assignment.
- Intern: The teacher holds an intern credential while they are completing coursework requirements to obtain their preliminary credential.
- Ineffective: The teacher does not possess a full teaching license or has been misaligned with their teaching assignments.
- Incomplete: There is missing or incorrect information about the assignment that was reported to CALPADs by the LEA.
- Unknown: There is insufficient information about the assignment that was reported to CALPADs by the LEA.
- Not applicable: The assignment either required no authorization or evaluation of the authorization was not relevant given the state course code or some other attributes.

Name	Total Teaching FTE	Clear	Out-of-field	Intern	Ineffective	Incomplete	Unknown	N/A
CAVA @ Kings	23.3	96.8%	2.2%	0.0%	.6%	.3%	0.0%	0.0%
Armona Union Elementary	80.8	85.7%	7.6%	3.7%	1.4%	1.5%	0%	0%
Kings	1,425.7	79.6%	5.8%	6.1%	4.0%	3.3%	1.1%	0%
Statewide	277,698.0	83.2%	4.2%	2.0%	5.4%	4.7%	.3%	.2%

2023-2024 Year In Review

The CAVA @Kings staff are committed to being a Professional Learning Community (PLC) school. We strive to ensure that we incorporate the "Three Big Ideas" of the PLC process: Focus on learning, a collaborative culture, and results orientation. By implementing and acting on these three big ideas, our staff is focused on high levels of learning to achieve our school-wide academic goals.

CAVA @Kings is continually in pursuit of academic excellence for our students. We identified three Wildly Important Goals for our school to directly impact student achievement:

- Decrease the chronic absenteeism rate from the previous school year.
- Increase the English Language Arts proficiency rate from the previous school year.
- Increase the Math proficiency rate from the previous school year.

These goals guided all actions in the 23-24 school year. All teams, from administration to teaching teams, met weekly to review data and commit to weekly measurable actions to impact these goals and specific student groups.

This end-of-year report describes our students' academic success and the school staff's areas of focus that will guide the focus and commitments for the school year, and how our collaborative work helps in achieving the goals.

Professional Development

Professional development focused on improving the quality of teaching and learning at our school. Throughout the school year, our teachers and leaders participated in ongoing professional development focused on the PLC process. Our Leadership Team participated in Leadership Learning sessions, on a bi-weekly basis, as we created professional learning teams amongst our leadership across all departments. Our Leadership Learning time was focused on creating collective commitments, problems of practice, communication, and implementation of the PLC process in each department.

In addition to our Leadership Learning, our Director and Principal/PS Teams also participated in ongoing professional development with Regina Owens. Our primary focus remained on the PLC process, and we continued our planning and collaboration surrounding the 4 critical questions. We worked together to *learn by doing* when answering critical question #1 and unpacking the essential standards. Our upper administration teams provided professional development to our leadership teams and then leadership teams provided professional development to our teachers. We were able to successfully implement our unpacking tool, for critical question #1, across all departments.

School Enrollment and Retention - Kings

The school had open cohort date enrollment throughout the school year. This year the school had 636 enrolled as of the last day of school. Retention is based on students who stayed with the school from the

time of the CBEDS (California Basic Educational Data Systems) data collection date (October 4, 2023) to the last day of school.

Enrollment and Retention by department:

23-24 School Year		
Department	**Enrollment**	**% Student Retention**
Elementary	256	86.33%
Middle School	179	84.36%
High School	159	72.33%
Total	**594**	**81.99%**

Graduation Rates

CAVA @ Kings graduated 63.64% of the class 2024. This is a decrease of 4.01% over last year's graduation rate.

The 23-24 school year saw several program changes targeted at the overall improvement of our counseling program and supports impact graduation rates and College Career Readiness, which continues to be an area of need on our dashboard. We have made significant progress in accurately tracking A-G courses and dual enrollment completion prior to and while attending CAVA. Our counseling program implemented individualized quarterly conferences with every high school student, which was made possible with significant improvements to counselor caseload ratios. We are also seeing success with our team of graduation coaches working to ensure all students who withdraw from our school are contacted and appropriately documented in the state data tracking system.

Grad Rate	***Kings***
2024 Grad Rate	**63.64%**
2023 Grad Rate	67.65%
2022 Grad Rate	64.40%
2021 Grad Rate	80.00%
Difference 23 to 24	-4.01%

Student Assessment Data

State Proficiency

CAVA @ Kings had 47.42% students end the 23-24 school year, achieving proficiency in **English Language Arts** as measured by the Star 360 assessment. This is a 2.08% decrease from the end of year assessment in 22-23 and a 5.67% increase compared to the assessment taken at the beginning of the year (BOY).

CAVA @ Kings had 35.65% of students end the 23-24 school year, achieving state proficiency in **Math** as measured by the Star 360 assessment. This is a 3.75% increase from the end of year assessment in 22-23 and a 5.67% increase compared to the assessment taken at the beginning of the year (BOY).

One Year of Growth

CAVA @ Kings had 42.78% students who ended the 23-24 school year, achieving at least one school years' worth of growth in **English Language Arts** as measured by the Star 360 assessment. This is a 7.61% increase from the end of year assessment in 22-23.

CAVA @ Kings had 45.89% of students who ended the 23-24 school year, achieving at least one school years' worth of growth in **Math** as measured by the Star 360 assessment. This is a 4.35% decrease from the end of year assessment in 22-23.

To increase student proficiency and ensure all students learn at high levels, each department implemented a detailed action plan to ensure all students grow academically. This action plan is directly tied to our priorities (Engage, Connect, Grow) and includes role clarity and various data points which are disaggregated to help identify patterns and trends. To increase student proficiency, we committed to continuing our focus on weekly data reviews, collaborative work in teaching teams, and providing layers of intervention for all students.

Data from PLTs, schoolwide assessments (STAR360/ESGI results) and other measures including Common Formative Assessments (CFAs) and Common Summative Assessments (CSAs) are analyzed along with individual teacher/class data that highlighted best instructional practices among different grades and teams. Last spring, our leadership team, Guiding Coalition, and teacher teams met to identify and align our Guaranteed and Viable Curriculum and essential standards necessary for students' success in their current grade level in preparation for the next grade level.

Our teachers have engaged in collective inquiry around the student academic data to determine the best instructional strategies in ensuring mastery of our guaranteed and viable curriculum in Math and ELA. Teacher teams have gone through a deconstruction process for all Guaranteed and Viable Curriculum (GVC) standards to ensure there is a common understanding of pre-requisites and what true mastery looks like for each.

Tiered Instructional and Intensive Support Programs along with collaboration weekly between teachers and leaders allowed our team to support students with best practices. Teachers use the common assessments to immediately support students who do not demonstrate mastery through tiered interventions and Shared Instruction.

We have focused on rigor during live sessions and conducted frequent classroom visits with targeted feedback which allowed for greater accountability and clear expectations as well as consistency and

fidelity to our instructional program and model. This has allowed us to streamline processes and procedures that have shown improved results overall. Additionally, we have adopted a Multi-Tiered System of Support (MTSS) team that meets monthly to review data to ensure the right students are invited to the right sessions to provide the intervention support required for growth. We implemented various intervention supports for our students identified as needing intensive intervention (Tier 3 support). Students were enrolled in intensive support programs such as Amira (an AI reading fluency program), Lalilo (focused on phonics), and Freckle for Math and ELA. Additionally, all TK students were assigned Reading Eggs to enhance their language arts practice and will be assigned Math Seeds for the upcoming school year to bolster their math skills. We have designated a Reading Coordinator for the 2024-25 school year to support our staff in implementing the Science of Reading and Orton-Gillingham techniques for effective reading instruction.

At the high school, we continue to put our effort and resources into extra math and ELA support for our 9th and 10th graders. This year we expanded our math lab program to include targeted students in both 9th and 10th grade, in order to lay a strong math foundation, supported by our 2-year algebra curriculum. Students active in the lab program outperformed their grade level peers in both pass rate and proficiency growth. We continued to grow and strengthen our 9th grade ELA lab program as well, focused on the English 9 curriculum and scaffolding support. In addition, we added after-hours one-on-one support for our MKV students and students with disabilities.

Across all departments, time was spent on GVC vertical alignment and provided ongoing professional development opportunities for teachers in their specific areas of need with regards to the PLC process.

Academics by Department

Elementary Program

At the California Virtual Academy @ Kings, we are focused on creating life-long learners in our Elementary department with a focus on standards-based learning. Students are assessed frequently utilizing growth measurement assessments including beginning, middle, and end of year along with formal and informal assessments within the classrooms to determine mastery. The results of these assessments were used to drive our standards-based instruction for the grade level guaranteed viable curriculum standards in Math and English Language Arts. Our Elementary department report cards are standards-based and include non-academic factors such as listening, completing work, and respecting others. For the upcoming year, we will also be incorporating behavioral expectations that will be accounted for on our progress reports and report cards.

Our Elementary department focused on further implementation of the Professional Learning Community (PLC) Process and continued our shared instruction model to ensure high levels of learning for all students. Our teachers engaged in collaborative team time (CTT), each week, where they reviewed student data outcomes, by student and by standard, to determine the additional instructional support that was needed for each student. Teachers shared students with their professional learning teams (PLTs) and provided focused Tier 2 instruction to support students with mastery of the learning targets for each of the essential standards.

Our department continued growing our Guiding Coalition with each grade level campus having its own representation which allows staff on each campus to have a voice in the decision-making process surrounding instruction and student success.

Middle School Program

The Middle School program had a successful school year, as we continued to foster a school culture of engaging students in live class connect sessions, connecting with students through monthly enduring connections, and growing students academically through our Guaranteed and Viable curriculum standards for each grade level in math and ELA.

Our purpose is to ensure all students learn at high levels. Students were assessed throughout the school year, at the beginning of the year, middle (semester), and at the end of the year using common diagnostic tools. Throughout the year, teams of teachers met in PLT's (professional learning teams) to review their instruction and create common formative assessments and common summative assessments. The results of these assessments were used to drive our standards-based instruction for the grade level, focusing on our guaranteed viable curriculum standards in math, and English Language Arts. Our Middle School department concentrated on advancing our work as a Professional Learning Community (PLC) school and introducing our shared instruction model to guarantee high levels of learning for every student. Each week, our teachers participated in collaborative team time (CTT), during which they examined student data outcomes, both by individual student and by standard. This analysis helped identify the additional instructional supports needed for each student. Teachers worked

together within their collaborative teams to share students and deliver targeted Tier 2 instruction, focusing on helping students achieve mastery of the learning targets for each essential standard.

Middle School students were offered the opportunity to participate in the Careers Exploration elective course. This course provided students with the opportunity for project-based learning. This course prepares our middle school students for the opportunity of enrolling in the High School Stride Career Prep Program. We continued our Freckle Program to help our students needing additional support; our Middle School Instructional Leads worked to improve student participation and engagement in the program. Advanced students were offered the opportunity to participate in our Honors program, providing a rigorous project-based learning curriculum that challenges students to dive deeper into all subjects.

Middle school piloted a Foundations in 6th grade, offered to rising 6th grade students who exhibit gaps in their knowledge based on the end of year universal assessments in Math and English Language Arts. This program was designed to help students develop the foundational knowledge needed to move towards proficiency through intensive targeted support as well as utilizing the Freckle program.

Being a Professional Learning Community, our approach has revolutionized how our educators work together, enhance their skills, and refine their practices. By embracing the PLC framework, our teachers participate in continuous, impactful collaboration centered on student learning and the use of evidence-based teaching strategies. This program cultivates a culture of mutual responsibility and collective exploration, where educators join forces to analyze data, set objectives, and create interventions tailored to the diverse needs of our students.

Overall	79.02%	71.92%

High School Program

The High School program had a successful school year, as we continued to foster a school culture of educating students and helping them to grow socially and academically. We focused efforts on removing barriers to success in school and increasing rigor in courses to prepare students for college and careers.

The greatest change in 23-24 was the math content support provided to our 10th grade students (through the expansion of the lab program), as well as the after-hours one-on-one support provided to our MKV students and students with disabilities. The Freshman Academy was developed in 21-22, to address a need identified in school data indicating our 9th grade students were struggling with the transition to high school and continues through the upcoming school year. The academy implemented daily freshman homeroom integrating organization and social-emotional learning to develop strong academic habits that lead to success. As a result of these efforts, students, teachers, and parents indicated an improved relationship with school staff and connection to school, and we saw a decrease in chronic absenteeism with our freshman population.

The 23-24 school year included Math Lab (9th and 10th grade) and English Lab (9th grade), incorporated to address gaps in learning in math and English to improve overall proficiency in these areas. These classes have been designed to help students develop the foundational knowledge needed to grasp grade-level material in math and English core courses. These courses support two identified essentials to freshman success:

- Eliminates competition for priority - Foundations freshmen are enrolled in a more limited breadth of courses, with at most one elective. Students who struggle in both subjects will have a course load like the one below. Students who are proficient in one subject will have an elective instead of the foundation course in that subject.
- Provides additional intervention and enrichment opportunities - Through these supplemental courses, Foundations teachers can teach the prerequisite skills necessary for mastery, as well as provide additional teacher support on specific assignments in core courses.

The College and Career Prep continues to offer project-based learning electives that focus on preparing students for real-world experiences by giving them the opportunity to be more hands-on in their learning through demonstrated skills and engagement. Career and College Readiness remains an emphasis as we continue to support students in their journey of career exploration while gaining skills and authentic experiences in and out of the classroom. Overall pass rate data is below.

2023-2024 - Kings High School Pass Rates	
Fall	72.68%

	PE/Health/Electives	86.85%

Career Technical Education (CTE)

Career and College Prep gives students exposure to career readiness and workforce preparation skills from career & technical education courses built around key career areas, allowing students to explore occupations of interest. Students enroll in traditional high school courses combined with industry-relevant, career-focused electives to prepare for a career, college, or both. These engaging, content-rich courses expand the traditional education experience and maximize a student's ability to succeed in the community and workforce. Students in the SCP @ CAVA complete a three-year sequence of CTE elective courses, while also gaining the opportunity to earn industry recognized certifications.

Special Programs

Special Education

Our Special Education team works to ensure that children with disabilities receive an appropriate education in the Least Restrictive Environment (LRE). Our Special Education department accomplishes this by working collaboratively with families, students, teachers, and other professionals to promote educational progress. Students with IEPs comprise 14.31% of CAVA @ Kings 's student population.

HASIEP	*CAVA @ Kings*
Percent of students with IEPs	14.31%

Instructional Overview:

Students with Individual Education Plans (IEPs) are provided services and support that aim to meet their needs, as outlined in their IEP. Students in need of Specialized Academic Instruction (SAI) receive targeted instruction that focuses on standards, skills, and concepts where the student's assessment data demonstrates a need for remediation and/or enrichment. SAI takes place in the LRE as determined by the IEP team. Live interactive instruction includes a variety of support elements:

- Specialized academic instruction (SAI) according to student's individual education plans (IEP)
  - Small Group Instruction
  - One on One Instruction
  - Consultation Services
  - Inclusion (co-teaching & push-in)
- Goal probing (what students need and will learn)
- Facilitating learning experiences (to ensure learning)
- Assessing student learning (to determine what has been learned)

504

The school's Section 504 Department works together with families, teachers, and students to ensure that students with disabilities covered by Section 504 receive a free and appropriate public education and equal access to the CAVA curriculum and instruction. The Section 504 Department accomplishes this by establishing accommodations based on the individualized needs of the students, monitoring the effectiveness of those accommodations, and maintaining consistent communication with families and teachers so that 504 Plans can be updated when necessary to promote academic achievement.

504	*CAVA @ Kings*
Percent of students with 504 Plan	2.04%

English Language Development

The school's English Language Development (ELD) Department serves our English language learner community through instruction and support in an inclusive environment to develop confident students who are equipped with the skills to have individual success in school and in life. The school's ELD Department aims to increase English proficiency of English Learners (ELs) and support ELs in meeting academic achievement standards by providing high quality, effective language instructional programs. To do this, the department offers EL students a Structured English Immersion (SEI) language access program that ensures that English learners acquire full proficiency in English as rapidly and effectively as possible and attain parity with native speakers of English, and that, within a reasonable period of time, English Learners achieve the same rigorous grade-level academic standards that are expected of all students. In order to accomplish these goals, **all English learners are provided with *Designated* AND *Integrated* English language Development (ELD) instruction** targeted to their English proficiency level.

ELD Specialists teach Designated English Language Development (ELD) instruction of the California ELD Standards to all active EL students. In addition, all ELs receive Integrated ELD instruction and support during their content area classes by the general education teachers, with additional content area support sessions provided by ELD Specialists to ensure students can access the state-adopted academic content standards. As students demonstrate proficiency in English through the English Language Proficiency Assessment of California (ELPAC) and meet the board-approved reclassification criteria, they are Reclassified as Fluent English Proficient (RFEP) and monitored for four additional years to ensure academic success. The ELPAC currently is available for virtual administration.

English Language Learners comprise 12.7% of CAVA @ Kings's population. In the 2023-2024 school year, 8.20% of students who were assessed met the board-approved reclassification criteria and were Reclassified as Fluent English Proficient (RFEP).

EL Students		Kings	Overall
2021-2022	% EL in school	8.30%	6.70%
2021-2022	% of EL RFEP'd	8.40%	8.80%
2022-2023	% EL in school	10.20%	8.00%
2022-2023	% of EL RFEP'd	8.00%	9.10%
2023-2024	% EL in school	12.70%	10.18%
2023-2024	% of EL RFEP'd	8.20%	9.71%

Compass Program

The Compass Program provides information, resources, encouragement, and support to students and families who are new to our schools, who are struggling to meet enrollment requirements due to a lack of engagement, or who are struggling with a lack of resources or social-emotional issues. All new enrollees receive initial onboarding support to help them acclimate to the online school system in their first few weeks of enrollment as well as an ongoing outreach throughout their first year at CAVA to help students and parents build skills to lead to greater success in our online school environment. In addition to supporting new students, the Compass Program provides targeted support to students who are struggling with daily engagement or who need support in developing social-emotional skills. Students in need of support are identified by schoolwide engagement metrics (attendance rate, time spent in the online school, assignments completed); or they may be referred by teachers or administrators. Students receive targeted support based on their individual needs. The goal is to help students to develop the knowledge, skills, and tools that they need to be successful in our online school environment. MKV/Foster students may also be provided with school supplies and referrals to community partners, as needed, to help them fully engage in learning. Compass Program staff work in both small groups and 1-1 to encourage students to progress towards meeting engagement goals.

School	23-24 Onboarding Placements	Quick Connect Referrals	Targeted Support Placement (SL1 & SL2)	SEL Referrals	Crisis Referrals	MKV / Foster Referrals	Total Support Cases	YOY Increase in Students Served

Social Emotional Learning

The Director of SEL, Prevention and Intervention, and Compass Counseling Specialists (SEL Team) worked in partnership with the Compass Team, to support student social-emotional learning, and promote a safe learning environment. The SEL Team developed and trained all staff on the CAVA Red Folder, which offers a guide to help CAVA Staff recognize, respond and refer students in distress to the appropriate resources to meet individual needs. In addition to training, each staff member received a hard copy of the Red Folder, to have on hand in the event of a student crisis. In addition to resources for staff, leaders were equipped with a new process, Student Triage Meetings, to ensure collaboration and consultation was available as needed.

The SEL Team continued to support schoolwide SEL by modeling and offering resources on the Collaborative for Academic Social and Emotional Learning (CASEL) 3 Signature Practices, as well as supporting a new SEL curriculum for Compass Students. The Team introduced CAVA's SEL Benchmarks and Learning Targets, which are based on CASEL's 5 Competences, as well as an additional competency related to executive function. These benchmarks and learning targets will support a shared language and understanding around SEL to support instruction and intervention.

The Counseling Specialists also provided direct support to students in emotional distress, including short-term counseling and resources, as identified by the Compass Referral Survey or administrator referral. An SEL screener, the Social Skills Improvement System Survey (SSIS) was expanded to include six grade levels in middle and high school to inform the planning, implementation, and evaluation of SEL resources and support. As a result of the data gathered, we identified additional support needed in the areas of Self Awareness and Self-Management.

CAVA provided leaders and staff with the opportunity to participate in resilience circles, offering the opportunity to build community and connection with others. By helping adults strengthen their own SEL and Resilience Skills, they are better equipped to practice and model effective strategies with other staff and students. Over 30 staff members participated in a resilience circle during the school year.

Attendance

Attendance in our schools comprises both independent study and charter school requirements.

School	22-23 Chronically Absent	23-24 Chronically Absent
CAVA @ Kings	13.25%	10.40%

School	22-23 Overall Attendance Rate	23-24 Overall Attendance Rate
CAVA @ Kings	96.80%	96.85%

Our 2023-2024 data shows that our students saw an increase in overall attendance rate from the previous year, with a decrease in chronic absenteeism. Our school continues to work towards the implementation of student support measures, as well as proactive support for families.

Chronic	SY2324	SY2223	SY2122
Absenteeism	%	%	%
Kings	10.40%	13.25%	9.89%

Withdrawals

Withdrawals are calculated on all students, not just CBEDS students so that we can better understand the circumstances that cause withdrawals across our entire population, as well as strategize ways to retain all students.

Withdrawals by Type

School	AWD	Voluntary	Grand Total
CAVA @ Kings	5	55	60

Withdrawals by Reason

The top reason for withdrawals was students were not motivated to complete work in this environment. The second most popular reason was spot opened at preferred school

We are continuously striving to find ways to engage all students every day, educate parents on the importance of daily login, and follow up quickly with all students not logging in or progressing.

School	Reasons
CAVA @ Kings	Student not motivated to complete work in this environment Spot opened at preferred school Moving out of area served by school Health issues in the family Pace of program is too fast for the student

Moving into the 2024-2025 School Year

Education is always evolving to best meet the changing needs of our students and families in response to prior year data. We will continue our Wildly Important Goals of decreasing chronic absenteeism and increasing math and English Language Arts proficiency.

To achieve this goal, we are continuing to invest resources, time, and talent to implement high-functioning professional learning communities (PLCs) across all grade levels and subject areas that are focused on and determined to meet our student achievement goal. These professional learning teams

are refining their skills to review data, share best practices, and implement responses to interventions for students who need additional support in a systematic and comprehensive manner. Our growth data indicates that the focus on data outcomes, on a weekly basis, has improved student achievement outcomes.

In our **Elementary department**, we will continue our focus on improving the quality of live instruction and ensure mastery of the guaranteed and viable curriculum for all students across all grade bands. In the upcoming year, we will be focusing on essential standards in ELA and math. One of the greatest areas of focus will continue to be on our Multitiered Support System to ensure all students, at all academic levels, are receiving the needed interventions, remediations, and review to ensure academic success in their current grade level and beyond. We will continue to collaborate on best practices throughout our department, focusing on highly effective, rigorous classroom instruction and implementation of our Accelerated Reader program (grades 3-5). Studies show that students using Accelerated Reader grow significantly more than students not using the program and are nearly twice as likely to be college and career ready. These results held true for all grades and populations of interest (struggling readers, English learners, and students in free or reduced lunch programs) and rose with the integrity of program use. Our littlest learners will continue to incorporate community engagement and service into their Paw Pride time. Building strong connections to their school and their communities will complement an already well-rounded CAVA education.

In **Middle School,** as we embark on the 2024-2025 school year, we are excited to share the program improvements we have implemented to enhance the learning experience for our students. Our program enhancements are guiding us towards academic growth & excellence of all students, as we continue to develop our Professional Learning Community (PLC).

Specific program enhancements include:

- Additional Teacher training for new staff
- Pear Assessment for Common Formative Assessments
- 7th grade Gizmos Science program
- Engagement Club
- BEAR expectations

We have extended our new staff training time an additional week to ensure that they are well prepared and have knowledge of the PLC and our WIG time. We are excited to offer all Middle School teachers the Pear Assessment resource. Pear Assessment is a standards-based assessment creation program that will provide teachers with instant scoring, formative feedback, and interactive reporting. Pear Assessment will be an integral component within our collaborative teaching teams.

This year we will be expanding our Gizmo's science program to our 7th grade students (last year only our 8th grade students used Gizmos). We have introduced an exciting addition to their academic experience, the Gizmos program. This program incorporates hands-on, technology-driven activities to

promote a deeper understanding of scientific concepts. Students will have the opportunity to explore virtual labs, conduct experiments, and analyze real-time data using interactive simulations. The Gizmos program aims to ignite students' curiosity, strengthen their scientific inquiry skills, and provide them with a practical and engaging approach to learning.

We are excited to offer new support this year to our population of students with the greatest number of absences. These chronically absent students will be invited to join our newly established Engagement Club. In our Engagement Club, our Middle School Instructional Leads will pull these identified students into short class connect sessions daily to ensure that students know how to log in and complete the required lessons. This accountability piece will give our chronically absent students the additional opportunity to be successful in our program.

This year we will also be introducing our BEAR expectations. These BEAR expectations are designed to identify the behavioral skills students need to be successful in online learning and independent study. Our teachers will introduce these behaviors at the start of the school year and reinforce them often. This piece will bring greater clarity to everyone on what tools and behaviors are needed to support students at CAVA.

In addition to these curriculum enhancements, we are committed to continuous improvement through our Professional Learning Communities (PLCs). The PLC process allows our dedicated educators to come together regularly to collaborate, share best practices, and collectively work towards improving instruction and student outcomes. This year, we have implemented a more structured approach to our PLC meetings, with focused agendas, targeted professional development sessions, and the integration of data-driven decision-making processes. These improvements ensure that our teachers have the necessary support and resources to enhance their instructional strategies, meet individual student needs, and drive continuous growth within our school community.

By investing in these program improvements, we are confident that our students will have an enriched learning experience in the 24-25 school year. We believe that our 2024-2025 enhancements will empower our students with the necessary skills and knowledge to excel academically and thrive as lifelong learners.

In **high school,** we are continuing the math and ELA Lab programs, which include Math Lab I, Math Lab II, and ELA Lab I support for our struggling 9th and 10th grade students. The program will help students develop the foundational knowledge needed to grasp grade-level material in the algebra core course and English 9 and will support two identified essentials to success:

- Eliminates competition for priority - these identified 10th grade students are enrolled in a more limited breadth of courses, with just one elective.
- Provides additional intervention and enrichment opportunities - Through these supplemental courses, Foundations teachers can teach the prerequisite skills necessary for mastery, as well as provide additional teacher support on specific assignments in core courses.

In addition to the expansion of the lab program, we are committed to continuing to grow as a PLC school. We have dedicated time built into our master schedule every Tuesday morning, where all HS staff will focus on data and PLC collaboration. We will be offering professional development around the PLC model throughout the school year, including sessions devoted to response to intervention, "all

means all," and rubrics and effective feedback. We have worked with our HS Guiding Coalition to develop a universal workbook, containing the essential elements of a PLC at work, that each collaborative teacher team will utilize weekly.

We will also continue to expand our on-one-one after-hours support to include targeting our MKV students, English Learners, and students with disabilities to provide after-hours support towards completion of A-G courses.

Our **Special Education Department** is eager to kick off the new school year with a variety of program enhancements, while continuing to connect with families and build our school community.

As always, our top priority is student achievement and support. Education Specialists will provide targeted specialized academic instruction (SAI) that meets IEP goals to their own caseload of students. Instructional schedules have been updated to allow full implementation of IEP pull-out services. Additionally, SAI will be facilitated through a new instructional platform named Engageli.

We are excited for the full Implementation of the IXL program throughout the Special Education department this school year to support grade level standards and achievement of IEP goals. The IXL program also assists with the creation of IEP goals which are aligned to grade level, guaranteed and viable curriculum.

In order to ensure that IEP timelines and compliance is met, we are implementing support processes, such as case logging directly in the MARVIN system, as well as IEP note taking support from our general education administrators.

We have grown our professional development offerings and are providing time for staff to meet weekly to grow knowledge of student support strategies and IEP management. Education Specialists will continue to participate in professional learning communities and collaborate with our general education counterparts, and Special Education staff. Additionally, we are happy to share that we have improved organizational components that are being implemented throughout the Special Education department.

We are confident that the program enhancements for the 24-25 school year will provide staff with the necessary skills and knowledge to provide exceptional support to our school community.

In the **English Language Development Department,** Designated ELD instruction will continue to be required, small group, and goal-based class sessions in which EL students are placed into grade level groups of common areas of need based on ELPAC, CAASPP, and STAR 360 assessment results. Last year, the ELD Department implemented a new Designated ELD curriculum that is aligned with the California English Language Development Standards - *Launch and Link to Literacy* (published by *DataWorks* Educational Research). This year, the ELD Department will focus on the alignment of the curriculum and instruction with ELD Benchmark assessments that assess the Reading, Writing, Speaking, and Listening domains in a format that mirrors the Summative ELPAC. In addition, the ELD Department will be working closely with each academic department to partner in the offering of tier 3 intervention programs and supports for EL students that are two or more years below grade level in the universal skills of learning,

including the use of *Off2Class,* and *Rosetta Stone* as the curricular resources used for language intervention services. Also, ELD Specialists will be attending required professional development sessions throughout the school year on Integrated ELD practices that they will be responsible for presenting to their general education colleagues, as well as partnering in the implementation of those practices in content area instruction.

In the **Multi-Tiered System of Support**, the school will continue to focus on developing and strengthening our systemic, continuous improvement framework in which data-based problem-solving and decision making is practiced across all levels of the educational system for supporting students. The focus for the 2024-2025 school year will be focused on :

1. Building on a strong Tier 1 program, with an emphasis on school wide behavioral and social-emotional expectations and instruction across all grades TK-12 to ensure that all students have their regulatory and relational needs met so that they can access the learning and reach standards mastery
2. Using data-based decision-making, problem solving, and progress monitoring processes to ensure all students are getting the appropriate tier 2 supplemental interventions to master the Guaranteed and Viable Curriculum (GVC) content area standards. This will be accomplished through the use of Pear Assessment for Common Formative and Summative Assessments across all content areas and departments, will be coordinated by the school's MTSS Coordinator and Reading Coordinator, and will be supported by each department's MTSS Coaches assigned to focus specifically on this work in the context of collaborative teacher team meetings and tier 1 and tier 2 live instructional blocks
3. Organizing resources, supports, and staff to serve students in need of intensive interventions and supports in tier 3, including the refined role of each department's MTSS Team, an intervention team dedicated to focusing intensively on the individual needs of the department's most at-risk students, and diagnosing, prioritizing, assigning, and monitoring the most appropriate interventions by need

The **Compass Program** will connect with and support new students and families, as well as those who are having difficulties meeting enrollment requirements due to low engagement or a lack of resources or who may be struggling with social-emotional issues. Compass will reach out to provide support throughout the first year at CAVA, helping students and parents develop the skills needed to succeed in our online school environment. Students needing support are identified through schoolwide engagement metrics including attendance rate, time spent in the online school, and completed assignments. Additionally, teachers or administrators may refer students for support. Once identified, students will receive personalized support tailored to their individual needs. MKV/Foster students may also receive school supplies and referrals to community partners as necessary to help them fully engage in learning.

The Director of SEL, Prevention and Intervention, and Compass Counseling Specialists (SEL Team) will continue to work in partnership with the Compass Team, to support student **Social-Emotional Learning**, and promote a safe learning environment. The Counseling Specialists will provide direct support to students in emotional distress, including short-term counseling and resources, as identified by the Compass Referral Survey or administrator referral. The team will also work in collaboration with the MTSS Teams in each department to facilitate and deliver Tier 2 and Tier 3 support for identified students.

The team will support Tier 1 schoolwide SEL implementation by offering training and resources for teachers related to CASEL's 3 Signature Practices. The team has identified SEL monthly topics to support a shared focus across all departments. The resources will also include a family newsletter, which will provide a throughline for daily homeroom sessions at all grade levels, monthly parenting workshops, monthly SEL newsletters, and the SEL website. The monthly SEL topics will include content and resources centered around the development of self-awareness, self-management and executive functioning skills.

TO: CALIFORNIA VIRTUAL ACADEMY AT KINGS GOVERNING BOARD

APPROVED

BOARD REPORT # 01

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF
September 9, 2024

SUBJECT: FY 2023-24 Unaudited Actual Revenue and Expenditure Report

PROPOSAL:
It is proposed that the Governing Board of California Virtual Academy at Kings ratify the FY 2023-24 Unaudited Actual Revenue and Expenditure Report.

BACKGROUND:
The Unaudited Actual Revenue and Expenditure Report represents the current financial status of the school for the 2023-24 fiscal year. This report shows an ending fund balance of $232,728, which includes an estimated $161,531 surplus from fiscal year 2023-24, which California Virtual Academy at Kings will retain and carry forward into future fiscal years.

BUDGET IMPLICATIONS:
There are no budget implications.

RECOMMENDATIONS:
It is recommended that the Governing Board:

1. Ratify the Unaudited Actual Revenue and Expenditure Report for the 2023-24 fiscal year on behalf of California Virtual Academy at Kings

RESPECTFULLY SUBMITTED
April Warren
Head of School

PREPARED BY:

April Warren	Francis "Paco" Burke
Head of School	Chief Business Official

EXPLANATION OF VARIANCES:

- a No change in P2 ADA from FY24 Estimated Actuals
- b Final FY24 P2 LCFF Funding
- c Primarily due a decrease in final Federal SPED IDEA funding, partially offset by an increase in actual Title expenditures
- d Due to a decrease in final State SPED funding, partially offset by an increase in accrued Lottery funding due to CDE estimate of Q4 apportionment
- e School set up interest bearing bank accounts effective October 2023.
- f Primarily due to an increase in accrued compensation, partially offset by a decrease in school's allocation of certificated salaries
- g Immaterial change from estimated actuals
- h Due to an increase in benefits (Medical benefits and employer retirement contribution) as a percent of salaries
- i Primarily due to a decrease in actual student-driven instructional materials & services
- j Primarily due a decrease estimated travel & conferences and a decrease in actual Sped contracted services expenditures
- k Actual asset purchases higher than estimated

Contract - Student Instructional Technology (7%)	5800	$	627,911
Other Instructional and Operating Expenditures	5800	$	17,162
ISP Services/Telephone	5900	$	112,348
Instruction & Instruction-Related Costs		**$**	**3,315,331**
Total Instructional Cost		**$**	**7,314,201**

SB 740 Requirement	Expenditures	Federal & State Revenues	% Spent (Expenditures / Revenues)
A. Certificated Teachers' Salaries and Benefits	$ 3,998,870	$ 8,999,492	44.43%
B. Total Instructional Costs	$ 7,314,201	$ 8,999,492	81.27%
C. PTR (Pupil-Teacher Ratio)	**20.58**	**: 1**	

Note:

In order to qualify for a 100% funding recommendation from ACCS, California Virtual Academy at Kings needs to meet the following criteria:

1) Line A. must equal or exceed 40 percent,
2) Line B. must equal or exceed 80 percent, AND
3) PTR (Pupil-Teacher Ratio) cannot exceed of 25:1

K12 Invoice Credit Methodology

In the school's agreement with K12, Inc., K12, Inc. issues invoice credits, to be applied to K12 invoices, within the school year so that the school's revenues meets all operating expenses with no deficit. As a result, the audited financials for fiscal year 2023-24 will show a balanced budget.

K12 Charges	Original Invoice	Invoice Credits	Revised Invoice
Support Services Fees (13%)	$ 1,166,121	$ -	$ 1,166,121
Technology Fees (7%)	$ 627,911	$ -	$ 627,911
Instruction Materials	$ 409,881	$ -	$ 409,881
OLS - Curriculum & Development	$ 1,273,411	$ -	$ 1,273,411
Inst. Computers/Printers/Leasing	$ 382,147	$ -	$ 382,147
Total Net K12, Inc.-Related Expenditures	**$ 3,859,471**	**$ -**	**$ 3,859,471**

L. FEDERAL EVERY STUDENT SUCCEEDS ACT (ESSA) MAINTENANCE OF EFFORT REQUIREMENT

NOTE: IF YOUR CHARTER SCHOOL RECEIVED FEDERAL FUNDING, AS REPORTED IN SECTION A2, THE FOLLOWING ADDITIONAL INFORMATION MUST BE PROVIDED IN ORDER FOR THE CDE TO CALCULATE COMPLIANCE WITH THE FEDERAL EVERY STUDENT SUCCEEDS ACT (ESSA) MAINTENANCE OF EFFORT REQUIREMENT:

1. Federal Revenue Used for Capital Outlay and Debt Service

Included in the Capital Outlay and Debt Service expenditures reported in sections B6 and B7 are the following amounts paid out of federal funds:

Federal Program Name (If no amounts, indicate "NONE")	Capital Outlay	Debt Service	Total
a. NONE	$		0.00
b.			0.00
c.			0.00
d.			0.00
e.			0.00
f.			0.00
g.			0.00
h.			0.00
i.			0.00
j.			0.00
TOTAL FEDERAL REVENUES USED FOR CAPITAL OUTLAY AND DEBT SERVICE	0.00	0.00	0.00

2. Community Services Expenditures

Provide the amount of State and Local funds reported in Section B that were expended for Community Services Activities:

Objects of Expenditures		Amount (Enter "0.00" if none)
a. Certificated Salaries	1000-1999	0.00
b. Noncertificated Salaries	2000-2999	0.00
c. Employee Benefits	3000-3999	0.00
d. Books and Supplies	4000-4999	0.00
e. Services and Other Operating Expenditures	5000-5999	0.00
TOTAL COMMUNITY SERVICES EXPENDITURES		0.00

3. Supplemental State and Local Expenditures resulting from a Presidentially Declared Disaster

Date of Presidential Disaster Declaration	Brief Description (If no amounts, indicate "None")	Amount
a.		
b.		
c.		
d.		
TOTAL SUPPLEMENTAL EXPENDITURES (Should not be negative)		0.00

4. State and Local Expenditures to be Used for ESSA Annual Maintenance of Effort Calculation:

Results of this calculation will be used for comparison with 2022-23 expenditures. Failure to maintain the required 90 percent expenditure level on either an aggregate or per capita expenditure basis may result in reduction to allocations for covered programs in 2025-26.

a. Total Expenditures (B8)	8,837,961.00
b. Less Federal Expenditures (Total A2)	
[Revenues are used as proxy for expenditures because most federal revenues are normally recognized in the period that qualifying expenditures are incurred]	330,466.00
c. Subtotal of State & Local Expenditures	8,507,495.00
[a minus b]	
d. Less Community Services	0.00
[L2 Total]	
e. Less Capital Outlay & Debt Service	46,660.00
[Total B6 plus objects 7438 and 7439, less L1 Total, less objects 6600 and 6910]	
f. Less Supplemental Expenditures made as the result of a Presidentially	0.00

	Declared Disaster	
	TOTAL STATE & LOCAL EXPENDITURES SUBJECT TO MOE [c minus d minus e minus f]	$ 8,460,835.00

TO: CALIFORNIA VIRTUAL ACADEMY AT KINGS GOVERNING BOARD

APPROVED

BOARD REPORT # 02

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF
September 9, 2024

SUBJECT: The ratification of disbursements made by California Virtual Academy at Kings from May 2024 through July 2024.

PROPOSAL:
It is proposed that the Governing Board of California Virtual Academy at Kings ratify the disbursements made by the school from May 2024 through July 2024.

BACKGROUND:
On a monthly basis, California Virtual Academy at Kings has been sending the board president a payment listing of all disbursements made each month, whether by check, or electronic payment processing, on behalf of the school. The monthly listing includes each payment date, reason for payment, account coding and amount. This board report presents the disbursements from May 2024 through July 2024.

BUDGET IMPLICATIONS:
The total disbursements for the months of May, June, and July were $774,277, $1,946,820, and $211,498, respectively.

RECOMMENDATIONS:
It is recommended that the Governing Board ratify the disbursements made by California Virtual Academy at Kings from May 2024 through July 2024.

RESPECTFULLY SUBMITTED
April Warren
Head of School

PREPARED BY:

Memorandum

Date:	June 17, 2024
To:	Anastasia Alavezos
CC:	April Warren and Katrina Mohamed
From:	Finance and School Accounting
Subject:	Disbursements for month ending May 31, 2024
Total Paid:	$ 744,276.74

Attached in the payments document is a detailed listing of all disbursements made on behalf of CAVA @ Kings during the month of May, 2024. There is no action to be taken on your part at this time. The disbursements will be ratified during the next quarterly board meeting.

If you have questions regarding any disbursement(s), please feel free to contact Dustin Kepler, Accounts Payable Specialist at (805) 581-0202 x 225.

TO: CALIFORNIA VIRTUAL ACADEMY AT KINGS GOVERNING BOARD

APPROVED

BOARD REPORT #05

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF
September 9, 2024

SUBJECT: 2024-25 Employment Agreements and Terminations

PROPOSAL:
It is proposed that the Governing Board of the California Virtual Academy at Kings ratify the following 2024-25 Employment Agreements and Terminations.

BACKGROUND:
California Virtual Academy at Kings offered contracts to teachers to meet the enrollment demands of the 2024-25 school year.

New Hires:

Last Name	First Name	Title	FTE
Simms	Misti	Education Specialist, K5	1.0
Flores-Marti	Chianelle	Education Specialist, K5	1.0
Isaak	Kayla	Teacher, Elementary	1.0
Sheffield	Kristin	Teacher, Elementary	1.0
Cleveland	Sheryl	Teacher, High School	1.0
Perkins	Felicia	Teacher, Middle School	1.0
Escobedo-Perez	Jerry	Teacher, Middle School	1.0
Locke	Shayla	Teacher, Middle School	1.0
Evenson	Megan	Teacher, Middle School	1.0

Terminations/Resignations:

Last Name	First Name	Title	FTE
1) Clough	Matthew	Education Specialist, K5	1.0
2) Nicholson	Megan	Teacher, Middle School	1.0
3) Vargas	Desiree	Teacher, Middle School	1.0

BUDGET IMPLICATIONS:
Funding for these positions is provided through State apportionment based on Average Daily Attendance as reported by the school.

RECOMMENDATIONS:
It is recommended the Governing Board:

1. Ratify the offered 2024-25 Employment Agreements and Terminations
2. Authorize Designee of Board of Directors to sign the 2024-25 Employment Agreements on behalf of California Virtual Academy at Kings.

RESPECTFULLY SUBMITTED:
April Warren
Head of School

APPROVED

BOARD REPORT #08

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF
September 9, 2024

SUBJECT: Instructional Materials List

PROPOSAL: It is proposed that the Governing Board of California Virtual Academy at Kings approve the Instructional Materials List.

BACKGROUND: Assembly Bill 599 went into effect on January 1, 2022. This subjects the school to monitoring by the county office of education for compliance with the "Williams Case." The attached document was prepared by school staff and provided to the county office of education as part of their monitoring process.

BUDGET IMPLICATIONS: None

RECOMMENDATIONS: It is recommended that the Governing Board approve the Instructional Materials List.

APPROVED

BOARD REPORT #09

VIA: CALIFORNIA VIRTUAL ACADEMY STAFF

September 9, 2024

SUBJECT: Parent Student Handbook for 2024-2025 School Year

PROPOSAL: It is proposed that the Governing Board of California Virtual Academy at Kings approve the Parent Student Handbook for the 2024-2025 School Year.

BACKGROUND: The Parent Student Handbook has been updated to reflect changes as noted on the Summary of Changes document. This handbook is updated annually to reflect accurate dates and information. These updates are needed to convey necessary information to students and families and provide clarity on school policies and procedures.

BUDGET IMPLICATIONS: None

RECOMMENDATIONS:

It is recommended the Governing Board:

Review and approve the Parent Student Handbook Updates.

34	Compass	Harassment and Bullying Prevention Policy	**HARASSMENT AND BULLYING PREVENTION POLICY** California Virtual Academy strives to provide a safe and welcoming environment for all students to learn. Harassment and bullying based on actual or perceived characteristics including disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sex, sexual orientation, pregnancy or related conditions, or association with a person or group with one or more of these actual or perceived characteristics are unlawful and will not be tolerated. No individual or group shall, through physical, written, verbal, or other means, harass, sexually harass, threaten, intimidate, retaliate, cyberbully, cause bodily injury to, or commit hate violence against any student or school personnel. Cyberbullying includes the electronic creation or transmission of harassing communications, direct threats, or other harmful texts, sounds, or images as defined in Education Code 48900. Cyberbullying also includes breaking into another person's electronic account and assuming that person's identity in order to damage that person's or another's reputation. • Harassment or bullying based on sex includes sexual harassment or bullying and gender-based harassment or bullying. ~~Sexual harassment or bullying is unwelcome conduct of a sexual nature, such as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature. Gender-based harassment or bullying is nonsexual intimidation or abusive behavior toward a student based on the student's actual or perceived sex, including harassment based on gender identity, gender expression, and nonconformity with~~

			~~gender stereotypes.~~ Sex-based harassment and/or bullying includes the following types of behaviors: unwelcome conduct of a sexual nature, such as unwelcome sexual advances, requests for sexual favors, and other verbal, nonverbal, or physical conduct of a sexual nature; and nonsexual intimidation or abusive behavior based on actual or perceived sex, including harassment based on gender identity, gender expression, and nonconformity with gender stereotypes. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful, or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Both male and female students can be victims of harassment or bullying based on sex, and the harasser or bully and the victim can be of the same sex. Bullying based on sex constitutes sexual harassment. • Harassment or bullying based on race, color, or national origin refers to intimidation or abusive behavior toward a student based on actual or perceived race, color, or national origin. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening, harmful, or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying based on race, color, or national origin constitutes racial harassment. • Harassment or bullying based on disability refers to intimidation or abusive behavior toward a student based on actual or perceived disability. Harassing conduct may take many forms, including verbal acts and name-calling, as well as non-verbal behavior, such as graphic and written statements, or conduct that is physically threatening,

			harmful, or humiliating. The conduct can be carried out by school employees, other students, and non-employee third parties. Bullying based on disability constitutes disability harassment. COMPLAINT AND REPORTING PROCEDURE Any student, employee, or agent who believes he or she has been harassed by an employee, agent, or student of the school should promptly report the facts of the incident(s) and the name of the individual(s) involved to the principal using "The Bullying and Harassment Incident Reporting Form" found in Appendices 3 of this handbook. If the alleged harasser is the principal, the person may report the incident to the Director and/or Head of Schools. A written report of the alleged incident will be developed by the Director or Head of Schools. A copy of the report, along with a copy of this policy, shall be mailed to the parent of the student who initiated the complaint. All staff, upon personal knowledge of an incident of sexual harassment, are obligated to report it to the Director and the Title IX Coordinator, or if the harasser is the Director, the report shall be made to the Head of Schools. Failure to do so is a violation of this policy. Failure of staff to report student allegations of sexual or gender-based harassment within three (3) school days violates this policy. Students or staff members who feel aggrieved because of unwelcome conduct that may constitute ~~sexual~~ sex-based harassment are not required to inform the person engaging in such conduct that the conduct is unwanted, offensive, and must stop, but are encouraged to do so. An aggrieved individual is not required to complain to his or her instructor or supervisor if that ~~instructor is the individual who is harassing the student.~~ person is the one responsible for the harassment. Any individuals making a report may bring an advocate to assist them.
41-42	Compass	Married/Pregnant/Parenting Students	**MARRIED/PREGNANT/PARENTING STUDENTS** The Governing Board recognizes that early marriage, pregnancy, or parenting may disrupt a

			student's education and increase the chance of a student dropping out of school. The Board, therefore, desires to support married, pregnant, and parenting students to continue their education, attain strong academic and parenting skills, and promote the healthy development of their children. The school shall not discriminate against any student based on the student's marital status, pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery. Any education program or activity, including any class or extracurricular activity, which is offered separately to married/pregnant/parenting students shall be comparable to that offered to all students. A student's participation in such programs shall be voluntary. Any complaint of discrimination based on pregnancy, or marital or parental status shall be addressed through the school's uniform complaint procedures under 5 CCR 4600-4687. Students and staff members also have the right to notify the Title IX Coordinator by emailing TitleIX@caliva.org. For school-related purposes, a married student under the age of 18 years shall have all the rights and privileges of students who are 18 years old, even if the marriage has been dissolved. The Head of School or designee shall periodically report to the Board regarding the effectiveness of district strategies to support married, pregnant, and parenting students, which may include data on participation rates in district programs and services, academic achievement, school attendance, graduation rate, and/or student feedback on district programs and services. PREGNANT AND PARENTING STUDENTS • Pregnant and parenting students shall retain the right to participate in any comprehensive school or an educational alternative program.

			• ADD: Students who are pregnant or who have a pregnancy-related condition have the right to consultation with and support from the Title IX Coordinator. To request support, the student should email the Title IX Coordinator at TitleIX@caliva.org. • When necessary, the school shall provide reasonable accommodations to pregnant and parenting students to enable them to access the educational program. A pregnant student shall have access to any services available to other students with temporary disabilities or medical conditions. For in-person school activities to the extent that the school has control of the facility, a lactating student shall have access to a private location, other than a restroom, to breastfeed or express milk for her infant child. • Should the student require a Home/Hospital placement, the school will refer the student to her district of residence for placement. • A student may be required, based on her pregnancy, childbirth, false pregnancy, termination of pregnancy, or related recovery, to obtain certification from a physician indicating that she is physically and emotionally able to participate in an educational program or activity if other students with physical or emotional conditions or temporary disabilities are required by the school to provide such certification. • Pregnant or parenting students may be excused for absences related to confidential medical appointments following the school's attendance policy. • The Head of School or designee shall grant a student a leave of absence due to pregnancy, childbirth, false pregnancy, termination of pregnancy, and related recovery for as long as it is deemed medically necessary by her physician. After the leave, the student shall be reinstated to the status she held when the leave began. • A pregnant or parenting student also may request an exemption from attendance

			because of a related physical or mental condition or because of personal services that must be rendered to a dependent. (Education Code 48410)
45-47	Compass	Title IX – Non-Discrimination	**TITLE IX – NON-DISCRIMINATION** ~~California Virtual Academies complies with the policy of the State of California to afford all persons in public schools, regardless of their disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code, equal rights, and opportunities in the educational institutions of the state. (Education Code Section 200.)~~ California Virtual Academies does not discriminate on the basis of sex and prohibits sex-based discrimination in any education program or activity that it operates, as required by Title IX and its regulations, including in admission and employment. Further, California Virtual Academies complies with the policy of the State of California to afford all persons in public schools, regardless of their disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code, equal rights, and opportunities in the educational institutions of the state. (Education Code Section 200.) No person shall be subjected to discrimination on the basis of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, pregnancy or parenting status, or any other characteristic that is contained in the definition of hate crimes set forth in Section 422.55 of the Penal Code in any program or activity conducted by an educational institution that receives, or benefits from, state financial assistance or enrolls pupils who receive state student financial aid. (Education Code Section 220.) Further, the CAVA schools do not discriminate on the basis of any protected class including but not limited to race, color, national origin, sex, age, religion, or disability

			in the programs or activities in which it operates or the employment therein or admission thereto. CAVA complies with applicable non-discrimination, anti-harassment and anti-bullying laws including but not limited to Title IX of the Education Amendments of 1972 ("Title IX"), 20 U.S.C. §1681 et seq., which prohibits discrimination on the basis of sex. ~~which can include sexual harassment or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.~~ Prohibited behaviors include sexual violence (such as rape, sexual assault, sexual battery, or sexual coercion); as well as gender-based harassment, which is unwelcome conduct based on a person's sex, or harassing conduct based on a person's failure to conform to sex/gender stereotypes. CAVA policy specifically prohibits discrimination, harassment, intimidation, and bullying based on the following actual or perceived characteristics: disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, pregnancy or parenting status, and sexual orientation. Discrimination, harassment, intimidation, or bullying directed at someone associated with a person or group with one or more of the listed actual or perceived characteristics is also prohibited. CAVA prohibits discrimination, harassment, and bullying in the school environment, whether or not it initially occurred off school grounds or outside the CAVA's education programs or activities. The school environment includes school facilities, class connect sessions, and school-sponsored platforms and activities (such as extracurricular events or field trips). The California Virtual Academies are committed to providing a safe environment in which students can learn. As such, CAVA strives to maintain a nondiscriminatory environment protecting students from discrimination, harassment, and bullying. CAVA encourages students, parents, and staff to work together to prevent acts of harassment of any kind including bullying. If any CAVA school personnel witness an act of discrimination,

			harassment, intimidation, or bullying, he or she shall take immediate steps to intervene when safe to do so. Title IX of the Education Amendments of 1972 prohibits discrimination based on sex in education programs and activities that receive federal financial assistance. All federal agencies that provide grants of assistance are required to enforce Title IX. The U.S. Department of Education gives grants of financial assistance to schools and colleges and to certain other entities, including vocational rehabilitation programs. Examples of the types of discrimination that are covered under Title IX include ~~sex- or genderbased harassment or bullying;~~ sex-based harassment or bullying; the failure to provide equal opportunity in athletics; discrimination in a school's courses and programs; and discrimination based on pregnancy or parenting status. To review a comprehensive list of the Title IX issues addressed by the US Department of Education's Office of Civil Rights, please review the information located here. The Title IX regulation is enforced by the Office of Civil Rights and is in the Code of Federal Regulations at 34 CFR Part 106. ~~Complaints or questions regarding discrimination, harassment, or bullying should be directed to the CAVA Title IX Coordinator:~~ ADD: Inquiries about Title IX may be referred to CAVA's Title IX Coordinator at the contact information listed below, to the U.S. Department of Education's Office for Civil Rights, or both. CAVA's nondiscrimination policy and grievance procedures can be located on the school website at the following location: https://cava.k12.com/title-ix-non-discrimination-notice/. To report information about conduct that may constitute sex discrimination or make a complaint of sex discrimination under Title IX, please contact the

			Title IX Coordinator at the contact listed below. You may also utilize the Bullying and Harassment Reporting Form and Process, which can be found on the last page of this handbook. **Title IX Coordinator & the Office of Civil Rights** Melisse Burns 50 Moreland Rd.
